

## GINKGO BILOBA TABLET 60MG

### Each Tablet Contains:

Ginkgo biloba leaf extract      60mg  
Equiv. to dry leaf                3000mg  
(Standardised to 24% Ginkgoflavone  
Glycosides, and 6% Ginkgolides +  
Bilobalide)

Ginkgo is traditionally used to improve brain function by improving circulation and tissue oxygenation. Ginkgo has been shown to improve memory (especially occasional mild memory problems due to ageing) and promote peripheral circulation to the arms, legs and brain.

### Uses / Indications:

Traditionally used to improve blood circulation. This is traditional medicine. If symptoms persist, please consult doctor.

### MAL No:

MAL06041534TC

### Recommended Intake:

Adults take 1 tablet 3 times daily with meals, or as professionally advised.

### Warning / Cautions:

Keep out of reach of children. As the use of Ginkgo may increase the tendency of bleeding, please consult your physician / pharmacist if you are or intend to start using any other medicines and before undergo any surgical/dental procedure.

### Pack Size:

62s, 112s, 500s
